Would you please answer my recent emails about sampling activities at Syncon Resins and CFN?

thanks

Subject: Syncon - Potential Purchaser

I got a call from Mr. Chris Cornnetti who says he has a client that was interested the Syncon property. His phone # is 908-309-3342.

He said he'd already talked to the town about the tax lien. I explained that the buyer would also have to pay both DEP and EPA for remediation costs and take over any future O&M.
